

# Invitation to Tender

## Film Making

### Background

The Junction Foundation is a registered charity that exists to support children, young people and their families. Our aim is to put children, young people and families at the heart of everything we do.

Over recent months we have worked with young people on their thoughts and ideas to develop our services, promote the support available to other young people and raise the awareness of the wider community of young people's issues.

An exciting opportunity has now arisen for a filmmaker to produce four short films about the lives and issues of children and young people in South Tees through grant funding from #Iwill Virgin Money Foundation.

### Project Requirements

The Junction Foundation is currently seeking an experienced filmmaker to:

- Work alongside children and young people to determine the content of short films, discussing possibilities and limitations of ideas that young people have.
- Producing four short films that will be edited to a finished format.
- Include The Junction branding within the film

The four films will focus on our services including, youth employment, emotional wellbeing and mental health, young carers and access to services.

The timescales for the project are:

January 2019 – determine content with young people's groups
